

Dear Traveler,

Thank you for your interest in traveling with us.

Before you proceed to sign up and travel with us I think it is important for you to know us and why are we doing this?

Do not be surprised if I tell you that Rustik Travel is strictly not a travel agency or a tour company.

Our eventual objective is to create sustainability engaging the local community.

And this we are trying to achieve through experiential travel.

Sustainable Experiential Travel, in short.

Sustainable, in terms of creating livelihoods, protecting environment and preserving culture.

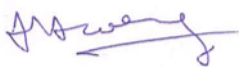

Experiential, because we believe that it is the experience that will stay with you always in the form of memories more precious than tangible things and material wealth.

Travel, because you as a responsible traveler (and not as a tourist) can make this happen while interacting with the locals, respecting the local culture and environment, spreading the word and directly participating in the economic development of the place by just traveling there.

So, if you are a responsible traveler (and not a tourist) who agrees with our philosophy, we welcome you whole-heartedly.

Happy travels! ☺

Warm Regards,

Hemant Soreng

Founder, Rustik Travel Ventures
